BUILDING
BLOCKS
INSPIRED
FROM
GLOBAL
CUISINES

Mane Kancor's Savoury Solutions Team has developed TastyKan, concentrated multi-spice liquid blends. Mane Kancor's global sourcing capability and extraction expertise ensures that raw materials are extracted to reflect its characteristic profile. Inspired from various ethnic cuisines across the world, these extracts are blended together to create natural and customisable flavour blocks.

VALUE DRIVERS

Versatility

- Tastes inspired from cuisines around the world
- Capturing different flavour profiles of the same/different raw materials from different growing regions
- Customisable flavour base

Sensorial

- Instant flavour release
- Better mouthfeel
- Flavour boosting
- Flavour consistency
